

PHY 689 - ACCELERATOR

Wed. Jan 31

Home work for Feb. 7 :

1/ Project:

- **Make your decision about a topic, and,**
- **prepare 2 slides ready to show here, detailing**
 - a/ why that choice**
 - a/ what the project will be about (outline and comments)**
 - b/ your agenda for the next 12 weeks.**

Send me your slides prior to the next Lab

2/ Lab work:

- **Write down the exercises that have been completed today**
(make it a “Tech Note” or “Conference” style of report, to be handed back to me)
- **Get ready for possible presentation on video at start of next class**
(Leave the exercise that have not been completed: we will be carry on next week.)
