

PHY 689 - ACCELERATOR

Wed. Feb 07

Home work for Feb. 14 :

1/ Project:

- Prepare 1~2 slides, ready to show at start of next class : status, send it to me prior to the class

(include your possible questions : we're here to discuss and help progress !)

2/ Lab work:

- Write down the exercises that have been completed today, send that to me
Make this writing a nice "Laboratory Tech Note" style of publication

(Leave the one exercise that has not been completed: will carry on next week)

- Be prepared for possible presentation to the group, at start of next class
